

**YOUTH  
STEM**  
*Matters*

**RESEARCH  
CONFERENCE**  
**ATTENDEE PACK**

**Thank you for joining us at our 2023 Youth STEM Matters Research Conference!  
We can't wait to welcome you on the 29th July!**

- The Youth STEM Matters Research Conference Organisers

### THE PLATFORM

The Research Conference will be hosted on the **Hopin** platform, and all our talks throughout the day will take place on the **Stage**. **Workshops** will take place in the **Sessions Area**.

The **Expo Booths**, accessible throughout the day, contain a range of **Youth Research Showcase Projects** and information about our **Sponsor**. Each of these contain a short video, which we would highly recommend watching!

In addition to a global **Event Chat**, the main stage, sessions and expo booths each have their own individual chat. Share your thoughts and get involved by asking our speakers questions, but please remember to abide by the **Attendee Agreement**.

➔ <https://hopin.com/events/youth-stem-matters-research-conference-2023>

### RESEARCH CONFERENCE QUEST

Throughout the event, we'll share a clue referring to one of our **Youth STEM Matters Articles** or an **Expo Booth**. Each article/booth will have a message at the end that contains a special phrase.

Combine the **6 short phrases** to make **one long sentence** and submit by **5:45pm BST** to enter our prize draw! The winner will be announced at the Awards Ceremony at **6pm BST**.

Read our clues in the **Event Chat** or in the **Research Conference Quest Expo Booth**.

Good luck! ➔ <https://forms.gle/yUH2gxMJM5L47qv6>

### ATTENDEE AGREEMENT

We are committed to creating a safe and respectful environment, so by attending the Youth STEM Matters Research Conference, you are expected to; treat everyone with respect, including respecting others' right to privacy; take responsibility for your own behaviour; report any concerns, worries, abuse or threatening behaviour to the safeguarding representatives. Offensive, abusive or intimidating language, actions, images or speech will result in immediate removal from the event.

**Safeguarding Lead:** Mhairi McCann, Youth STEM 2030  
Founder & CEO, [mhairi@youthstem2030.org](mailto:mhairi@youthstem2030.org)

**Safeguarding Deputy:** Sophiyat Sadiq, Youth STEM Summit  
Programme Officer, [sophiyat@youthstem2030.org](mailto:sophiyat@youthstem2030.org)

With Thanks to Our Sponsor

### SOCIAL MEDIA

We'll be posting on our socials during the day and would encourage you to do the same to share what you learn!

Use the hashtag **#YouthSTEMMattersConf** to get a shoutout and enter our prize draw!

 **@YouthSTEM2030**

 **@youthstem2030**

 **/company/youth-stem-2030**

### ATTENDEE TOP TIPS

1. Share your thoughts
2. Ask questions in the chat or Q&A
3. Get your friends and family involved

### SCHEDULE

The event will run from **2-6PM BST** on **Sat 29th July**. The schedule can be found on the main **Hopin event page**.

### RECORDINGS

Don't worry if you miss a session! Each session will be recorded and released on **our YouTube channel**, in addition to us releasing small snippets of the conference on our other social platforms.

### CONTACT & TECHNICAL DIFFICULTIES

If you have issues regarding the Hopin platform please try **their Help Center**.

If you continue to have any technical difficulties or have questions, thoughts, or concerns, please reach out to [research.conference@youthstem2030.org](mailto:research.conference@youthstem2030.org).
